E-Statement Promotion!

Earn \$5 when you switch to e-statements! *

Benefits of E-Statements

- Reduce the risk of identity theft by delivering your e-statement securely to your inbox instead of your mailbox.
- Quicker access to your statement. We send you an email to let you know when it's ready.
- No need to keep files for all your statements for the different accounts you have with us. We store them on our site for up to 7 years.
- They are environmentally friendly. No paper means no trees are used to produce your e-statements.

*Must be enrolled in online banking to receive e-statements. Instructions on how to enroll in online banking and e-statements can be found on the next page. If you need assistance enrolling in online banking or e-statements, please call our Customer Service Department at (256) 845-1077. Existing e-statement customers, as well as employees and immediate family members, are not eligible for the \$5 promotion. Enroll between April 1 and June 30, 2023 to be eligible for the \$5 promotion. All accounts owned by the customer must be moved to e-statements (web only) to be eligible. Must maintain e-statements for three months to receive \$5 promotion. \$5 will be deposited into primary account within five days after the three-month mandatory e-statement period has ended. Limit to \$5 per household/business.
